4010

COLORIS®

This oil-free stamping ink is excellent for initial filling of office stamp pads as well as refilling and for self-inking stamps such as PRINTY's von COLOP, TRODAT, etc.

Properties:
Well covering, very economical and relatively light resistant stamping ink

Application:
We recommend 4010 for marking all absorbent materials such as brochures, paper and cardboard. It is intended primary for office use for manual stamping, soaks into paper quickly and remains moist in the stamp pad for a long period without drying out. 4010 is generally not suited for stamping coated paper, such as high gloss brochures, however depending on coating can be effective (a sample should be tested).

Drying time:
~15sec smudge-proof (paper)

Viscosity:
highly viscous ~12sec
(Ford 4mm cup)

Stamp material:
Rubber or photo polymers

Stamp pad material:
We recommend our Coloris pad (s. Fig.). However felt plate pads, felt rollers, foam rubber rollers or the Soli plate pads can also be used. Exception: white and silver;please use only with felt plate pads!

Thinner/cleaner:
Thinner 430

Available standard sizes:
10x28ml/g · 50ml/g · 250ml/g · 1000ml/g
